

If TERP is the question, Mustang's Got the Answer!

Starting in November, you can apply for a **TERP** Grant to the state of Texas that could pay you thousands of dollars to buy a new G-Series Track Type Tractor, or to re-power one of your current machines with a new Cat Tier II engine. Your Mustang Cat Sales Representative can supply the information and forms you need in order to apply for TERP grant money. Call Your Mustang Cat Sales Representative today.
