

T H I N K BIG

The CAT® Dealer Prep Program is designed to prepare entry-level service technicians for employment at a CAT dealership. During this full-time, two-year program, students will develop the skills needed to be skilled service technicians. Each semester will consist of eight weeks of classroom study and eight weeks of required employment.

WHY THINK BIG

DEMAND FOR TECHS

Caterpillar estimates that Caterpillar dealerships around the world will need to hire an additional 45,000 service technicians in the next five years to meet customer demands.

STABILITY

Learn the trade and you can service any CAT dealer around the world.

WORK WITH/FOR THE BEST

Caterpillar machines have sophisticated technology, such as satellite-based navigation systems, computer-based diagnostics, electronically controlled engines, and state-of-the-art hydraulics.

DO A JOB YOU LOVE

Hands-on work with the state of the art Caterpillar machines.

PROGRAM BENEFITS

- » Earn your associate's and/or bachelor's degree
- » Possibilities to earn over \$45,000/year to start
- » Tool and tuition reimbursement
- » \$6,000 scholarship from Mustang Cat
- » Five paid internships as part of your CAT curriculum
- » On-the-job training by experienced CAT technicians

POWERING THE WORLD.**

If you think you have what it takes to be the best and have a desire to work for the best, then contact your dealer to start Thinking Big today!

While the student is responsible for the cost of the CAT Dealer Prep Program, Mustang Cat provides several forms of financial assistance to the students we sponsor for the program. In addition to these resources, students are encouraged to complete a FAFSA packet in order to obtain other available sources of assistance, such as federal grants and loans. Private scholarships can be applied as well. The table below shows the estimated maximum amount of financial aid provided by Mustang, should the student meet all program requirements and take full advantage of all incentives.

SOURCE	AMOUNT
Approximate program cost (2019)	\$32,000
Initial scholarship (deposited in student account)	\$1,000
Tool scholarship (eight disbursements over four years)	\$4,000
Five paid internships (includes summer)*	\$36,110
Scholarship reimbursement (eight quarterly disbursements)†	\$6,000
Tuition reimbursement program‡	\$10,000
Financial aid total	\$54,110

*Amount assumes student achieves max increases based on meeting school and internship standards and includes a modest 10% overtime assumption. Amount shown is estimated gross earning (before taxes or other deductions). This figure does not represent a guarantee, but rather serves for informational purposes only.

†Disbursed on a quarterly basis over 2 years after successful completion of program provided the student remains in continuous, full-time employment with the company.

‡Corporate educational assistance program pays 50% of certain education-related expenses provided student gets a B or better in the class. Up to \$2,500 per semester or \$5,000 per calendar year.

THINK BIG PROGRAM WAGE PROGRESSION*

INTERNSHIP	WAGE
Summer Internship	\$13.00
Internship 1	\$14.00
Internship 2	\$14.50
Internship 3	\$15.50
Internship 4	\$16.00
Internship 5	\$17.00

*All raises are contingent on the student meeting all program standards for academics, attendance, and work performance as outlined in their signed letter of agreement. Scale Effective Date: 6.1.19
