

» CAT® REMAN INJECTORS

MAXIMIZE UPTIME AND PERFORMANCE

FULLY WARRANTED, LOW-COST REPAIR OPTION
DESIGNED TO PERFORM WITH TODAY'S FUELS

Get the best wear life, fuel economy and overall performance.

When you need new injectors, choose the repair option developed specifically for your Cat® on-highway engine **and** today's low-sulfur, low-lubricity fuels. Cat Reman Injectors feature coated plungers for maximum wear resistance, include the latest engineering updates for optimum performance and undergo extensive testing to ensure reliability. That sets them apart from aftermarket brands, which can cause horsepower and fuel efficiency losses of up to 5%.

With Cat Reman Injectors, you get same-as-new performance, a same-as-new warranty and off the shelf availability—all at a fraction-of-new price. The result is less downtime and lower repair costs, helping you achieve the lowest owning and operating costs over your engine's lifecycle.

INCREASED WEAR RESISTANCE

OPTIMUM PERFORMANCE & FUEL ECONOMY

REDUCED DOWNTIME

SAVING YOU TIME AND MONEY

1

GET SAME-AS-NEW PERFORMANCE

When you choose Cat Reman Injectors, you get a product that performs just like new. That's because we:

- » Disassemble, clean and inspect every component to ensure quality and reliability
- » Apply advanced salvage techniques to make sure components meet specifications
- » Incorporate all engineering changes, including a new design that accommodates today's low-sulfur, low-lubricity fuels
- » Replace all seals and O-rings
- » Perform multiple quality checks, including an extensive end-of-the-line test

2

CONTROL YOUR REPAIR COSTS

Cat Reman Injectors are available off the shelf worldwide, and with new O-rings preinstalled, they're ready for installation right out of the box—reducing your downtime. Plus, they're priced at a fraction of the cost of new parts and come with an industry-leading, unlimited-mileage, 12-month standard warranty that covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Contingent damage caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component

3

RECEIVE MAXIMUM VALUE FOR YOUR CORE

Our flexible core acceptance criteria helps you get the most for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide an immediate decision on core condition and credit, so you don't have to wait for—or guess about—your repair costs.

You'll receive full credit even if your core has:

- » Broken or damaged hold-down clamp lands
- » Broken or missing tappets and springs
- » Broken or missing electrical terminals
- » Cracked or damaged nozzle tips
- » Operational failure damage from valve train failures
- » The returning core must be an acceptable Caterpillar part number

YOU ALSO HAVE THE
OPTION TO ADD EXTENDED
CAT COMPONENT PLUS
COVERAGE UP TO

48^{MOS}

YOUR DEALER IS STANDING BY

The Cat dealer network stocks the broadest line of remanufactured parts and components in the industry, supported by the Caterpillar worldwide inventory and distribution system. And with more than 1,400 authorized Cat dealers in North America, your Cat dealer will have the components you need ready to install, minimizing your downtime and maintaining productivity. Contact your local dealer today.
