

SAFETY DATA SHEET INFORMATION

Mustang Machinery Company, Ltd., has attempted to obtain an updated SDS.

No update is available for the following reasons:

- ☐ Product has been discontinued.
- ☒ Obsolete (Ex: Product no longer manufactured under this name, manufactured or distributed by a different company and/or division).
- ☐ Company no longer exists (sold, merged, receivership, etc.)
- ☐ Contact information no longer valid.

This SDS or Info Documentation should be used until the product is removed from your chemical inventory. Known/Unknown precautions should be taken with ALL hazardous chemicals.

Please advise when product is not longer on site in order to remove it from your inventory and place in an *inactive* file.

Per OSHA regulations - hazardous chemical records should be maintained for 30 years.

Zep Sta-A-Way Aerosol discontinued
